

Privacy Policy

Last updated: 30.09.2026

This Privacy Policy explains how personal data is processed when you submit an enquiry through the contact form on the website from which you accessed this policy (the "Website"). In this policy, "we" and "us" refer to the controllers described in section 9.

1. What data we collect

When you submit the contact form, we process:

- company name and country,
- name of the contact person, email address and phone number (if provided),
- details of your enquiry (products, quantities, delivery terms and any other information you provide),
- technical data: date and time of submission, IP address, and the text and version of the consent you gave.

2. Why we use your data and on what legal basis

Purpose	Legal basis
Handling your enquiry and contacting you to clarify its details	Steps taken at your request before entering into a contract (Art. 6(1)(b) GDPR)
Publishing your enquiry on the Agriteo marketplace (www.agriteo.com) and giving suppliers with a paid premium account access to your contact details, so they can send you offers	Your consent (Art. 6(1)(a) GDPR)
Keeping proof of your consent and protecting against legal claims	Our legitimate interest (Art. 6(1)(f) GDPR)
Compliance with legal obligations (e.g. tax and accounting)	Legal obligation (Art. 6(1)(c) GDPR)

Providing your data is voluntary. However, without your data and your consent to sharing it with suppliers, we cannot publish your enquiry or pass it on.

3. Who we share your data with

- Suppliers with a premium account on the Agriteo marketplace. Your enquiry is visible on the marketplace. Your contact details (company name, contact person, email, phone) are available only to suppliers who hold a paid premium account. Access to such enquiries and contact details is part of the paid premium service. These suppliers are mainly farmers and companies sorting and exporting agricultural products, located in Poland. They may contact you with offers and, once they receive your data, they use it as independent controllers, under their own responsibility.
- Service providers acting on our instructions, in particular OVH (hosting and email services).
- Public authorities, where required by law.

4. Where your data is processed

Your data is processed in Poland and stored with our hosting provider within the European Union. We do not transfer your data outside the European Economic Area.

5. How long we keep your data

- Your enquiry and contact details remain on the marketplace until you withdraw your consent or ask us to delete them.
- After withdrawal, we keep only the proof of your consent and of its withdrawal for the period needed to defend against possible legal claims (generally up to 6 years).

- Data required by tax and accounting law is kept for the period set by that law.

6. Your rights

You have the right to:

- access your data and receive a copy,
- correct your data,
- have your data erased,
- restrict processing,
- data portability,
- object to processing based on our legitimate interest,
- withdraw your consent at any time. Withdrawal does not affect the lawfulness of processing carried out before it.

You also have the right to lodge a complaint with your national data protection authority.

7. How to withdraw your consent

To withdraw your consent, or to exercise any other right, write to kontakt@agriteo.com.

Because the data concerns a specific business enquiry, your message must include:

- 1 the full name of the company withdrawing consent,
- 2 the address of that company,
- 3 the first and last name of the person contacting us on behalf of the company.

This lets us identify the right enquiry and confirm that the request comes from the company concerned. We may ask for additional information if needed to verify your identity. After withdrawal, we will remove your enquiry and contact details from the marketplace without undue delay.

8. Cookies

The Website does not use cookies or analytics tools.

9. Who is responsible for your data

The website and the Agriteo marketplace are operated jointly by two controllers of your personal data (the “controllers”): Agriteo prosta spółka akcyjna, registered office kazimierza pułaskiego 6/10, 26-600 radom, poland, nip (tax id) 7963042332, and Bartłomiej Siedlecki. Contact for all data protection matters: kontakt@agriteo.com. The controllers have agreed between themselves how they fulfil their obligations under the gdpr. Regardless of that arrangement, you may exercise your rights against each of them, and the simplest way is to write to the address above. On request, we will provide you with the essence of that arrangement.

10. Changes to this policy

We may update this policy. The current version is always available on this page, together with the date of the last update.
